School Dinner Menu Main Course Selection

In order for us to try to ensure all children get their first choice of main course, something that they like to eat and reduce waste; we are introducing a pre-order system.

Every day there will be a meat/fish/main course and a vegetarian course and on most days there will also be an alternative choice which may be another dish, jacket potato with a choice of fillings, sandwich, or plain pasta dish.

Vegetables, salad, potatoes, bread and a choice of desert, fresh fruit and yoghurt will be available everyday too as listed on the full menu.

This form must be completed in full and returned to the office no later than Wednesday 19th July.

Each morning before lunchtime children will be issued with a wristband of the appropriate colour. They will be served that dish at lunchtime. Any special dietary needs will continue to be catered for.
