

Croft Church of England Primary School

Report on the use of Primary PE and Sport Premium

2014 - 2015

‘Achievement for Everyone’

BACKGROUND

PE and Sport Premium is funding provided to primary schools, in addition to main school funding. This funding can only be spent on the provision of PE, sport and health related activities in schools. The government has committed to keeping the Primary PE and Sport Premium until 2020. It is for schools to decide how the PE and Sport funding is spent. Schools are held accountable for how they have used the additional funding.

ALLOCATION OF FUNDING

Discussions to determine how the funding was to be spent were held between the headteacher, all teaching staff and governors. Current PE and Sport provision was evaluated and areas for development were identified. An action plan was prepared and funding targeted at those areas which included:

- Raising attainment in PE and sport
- Increasing participation in PE and Sport both in school and out of school
- Providing high quality sports coaching through specialist coaches
- Providing CPD for all staff
- Purchasing additional sports equipment
- Extending opportunities for children through new and additional extracurricular activities including Change 4 Life for those children who are least active
- Providing competitive sports competitions with other schools
- Monitoring the involvement of children in sports activities outside the school day
- Monitoring the impact of the PE and Sports on outcomes for pupils

FUNDING 2014 – 2015

Funding is allocated according to the number of pupils in Years 1 to 6 plus a lump sum.

Total Amount awarded for this period £8570

HOW WE SPENT OUR 2014 - 2015 ALLOCATION

ITEM	COST
Membership of Richmond Cluster Sports	3150
Equipment	1365
Transport to cluster sports events and competitions	1423
Specialist coaches and professional development	2334
TOTAL to date	£ 8272

HOW WE INTEND TO SPEND OUR 2015 - 2016 ALLOCATION

Funding for 2015 – 2016 is £8473

Following discussions between staff and governors, we will continue with our membership of the Richmond Cluster Sports Partnership as this provides us with professional sports coaches in school and many sports competitions. We will also employ additional specialist sports coaches in areas such as gymnastics, dance, multi skills at Key Stage One, and tag rugby at Key Stage Two.

IMPACT OF PE AND SPORT PREMIUM

The children have been exposed to a variety of sporting activities in and out of school, with many children fortunate enough to have represented our school in competitions. Moving forward into next year, 2015 – 2016, the policy on team selection will be reviewed (e.g. Team A- more able children, Team B- those who haven't had the opportunity). This will enable more children to take part in competitive matches. The children in Key Stage Two have taken part in inter house sports and have thoroughly enjoyed the experience, showing high levels of skill, sportsmanship and increased levels of confidence and responsibility. Key Stage One we will look to organise an inter house competition once a term in 2015 - 2016.

Questionnaires were issued to the parents of all children in May 2015. These asked how much sport or exercise their children took part in out of school and which sports they were. The information gathered will be used to plan sports in school and enable us to target those children who are least active.

Activity challenges were organised for children in EYFS, Key Stage One, Lower Key Stage Two and Upper Key Stage Two. These were repeated on a termly basis to assess the fitness levels of children and evaluate the impact of improving PE and sports provision. The assessments showed that very few children were below expected fitness levels for their age, most were typical and a proportion were above. This will be repeated over the next academic year.

Learning walks by the PE subject leader noted that children in EYFS thoroughly enjoyed their Multiskills coaching by Mike Layfield. They were constantly active and involved, aiding their physical development and co-ordination.

Dance was observed in Class 2, where following CPD by a dance teacher, the class teacher led the class very effectively. All children participated and were very active and enjoyed the class. More able children performed in front of others.

Tennis was observed in Class 3. Basic bat and ball skills were developed before children were paired to continue rallying. The tennis team took part in a cluster competition and won the event.

Class 4 observation was based on Rounders. Children improved their bat and ball skills and then played games. They warmed up prior to the lesson and cooled down afterwards. There was a discussion about the impact of exercise on the body.

Some of the money has been spent on refurbishing some of the PE equipment as well as paying for transport for sporting activities. The children and staff have had an input as to what equipment we would like to improve the provision of PE in all areas. The school is very well resourced therefore teachers and children have access to enough equipment to provide top quality PE provision. We will continue to review our equipment and improve it as necessary.

Specialist coaches have provided excellent provision for children and professional development for all staff resulting in improved skills and knowledge. The dance teacher provided all staff with excellent dance professional development including delivery of the curriculum, planning and assessment tools.

CPD

Full staff review of P.E. Action plan: 17.9.14

Planning and assessing PE with Anne Thorogood: 4.2.15

Team teaching of dance with Anne Thorogood: Spring term

Team teaching of athletics/cricket with Mike Layfield: Summer term

Curricular Sports in 2014 – 2015

The children have taken part in the following:

Swimming Key Stage Two – 15 out of 16 Year 6 children able to swim by the end of the summer term.

Football

Golf

Gymnastics

Tag Rugby

Dance

Karate

Tennis

Cricket

Athletics

Rounders

Extra-curricular sport in 2014 – 2015

The following extra-curricular sports have been provided during this period:

Sport	Year Group	Attendance
Gymnastics	KS 1	16
Gymnastics	Y 3/4	16
Cricket	Y6	22

Hockey	Y5/6	18
Rounders	KS 2	22
Karate	KS 2	20
Football	KS2	45

Sports Competitions in 2014 - 2015

Date	Sport	Location	Year Group	Outcome
3.4.14	Netball	Allertonshire	Y5/6	5th
28.4.14	Girls Football	Brompton	Y5/6	Draw
