Dear Parents and Carers,

Parent Information Evening for Y1/Y2 and Y6 pupils

Thank you to parents of pupils in Y1, Y2 and Y6 who attended this week's information sessions regarding phonics and SAT tests. Also, thank you to Mrs McManus and Miss Rogan for arranging and delivering the events. The slide shows will be available on the website very soon!

Scarlett Fever

We have had a case of scarlett fever.

Bug

*We continue to have lots of children poorly this week with what seems to be a sickness related bug. We are encouraging pupils and staff to wash their hands thoroughly and more frequently to stop the bug from spreading. In line with the guidance from the Public Health Agency, parents should keep their children off school for a **minimum of 48hrs** from the last episode of vomiting. Thank you for your support with this.*

Have a great weekend everybody!

Mr Robson

Well done to all of the runners who took part in the cross country! As a school we have done really well with 4 people making it to the finals! Children who took part were a credit to the school. It was a really enjoyable (albeit cold) afternoon. Myself, Mrs Schmidt and Mrs Taylor were particularly impressed with the team-spirit and support shown by all the children.

Mr Berriman

Class 4:

Year 6: Next week, we will be focussing on fractions in Maths and continuing to look closely at journalistic writing and practising the skills involved in writing a newspaper article.

Year 5: Next week, we will be writing our hot write of our poems. We have worked really hard to find out about lots of different poems and I can't wait to see what the children write! In Maths we will be looking at interpreting line graphs.

Class3: We will be continuing our work on narrative writing In English with a focus on character descriptions. In Maths, we will be finishing our work on fractions. We will also be starting to rehearse for the Easter Service.

Class 2: We will be moving on in English to information texts about a komodo dragon. In Maths we will be completing work on time and moving on to other measures including length, weight and capacity. Our topic focus is ways to attack a castle. Please continue to send in any boxes and tubes for our model castles.

Early Years:

Unfortunately, Mrs Prudhoe has had some sad news this week and will not be in school for a little while. Our thoughts and prayers are with her and her family.

There was a great buzz around reading so thank you very much to everyone for their effort and contribution towards helping us celebrate World Book Day.
