CELEBRATION WORSHIP

Thank you to the families who attended this half term's celebration worship this morning. It was wonderful to see you all and thank you so much for your feedback. There will be more opportunities to come into school very soon!

SCHOOL UNIFORM

Please can I remind parents that pupils should only wear 'simple head bands, bobbles and hair ties' as described in the school's uniform policy. We discourage fashion items as we do not want our pupils or parents to feel pressured to maintain the latest trends. Thank you for your understanding and support with this.

Thank you to parents and carers for continuing to support the school and following our school uniform policy.

You are now able to order school uniform on line from Emblematic Ltd who are our current uniform suppliers. Postage is free for orders

delivered to school. Items can be viewed and ordered at:

<https://studentuniform.co.uk/croft146>

Please note that we do still have a number of jumpers, cardigans and waterproof coats in stock in school.

****ROAD SAFETY****

The road and paths outside school were particularly wet and slippery this morning. Please take extra care on occasions such as these. On particularly wet days, we will open the pupil entrance doors early to allow pupils to enter the school. We have also contacted NYCC Highways and the Parish Council to ask for support to ensure that roads and paths are gritted on snowy days however, it has been explained that this is the responsibility of the community. There is grit stored at the village hall and by the school gate and if any parents would be willing to grit the paths near to the entrance to the school on snowy and icy days, I am sure that other parents would be hugely grateful!

We will endeavour to keep the school site well-gritted and safe for pupils and families as they enter the school.

Christian Value – KOINONIA

Reading: And all who believed were together and had all things in common. And they were selling their possessions and belongings and distributing the proceeds to all, as any had need. And day by day, attending the temple together and breaking bread in their homes, they received their food with glad and generous hearts, praising God and having favour with all the people. And the Lord added to their number day by day those who were being saved. Acts 2:44-47

THE BIG WEEKLY QUESTION...

CLASS 4:
The children have written some toecurling contrasting stories based on Grendel and the Great King Hrothgar this week. They were able to use colon and semi-colons to vary their sentences, begin lists and add detail and explanation. We have also been looking at synonyms and antonyms and how the intensity of the word impacts on the meaning. Next week we will start work by looking at a new text: Viking Boy. In Maths the children have been solving some challenging problems based on the mean. Next week we will begin to measure and calculate the perimeter of composite rectilinear shapes in cm and m. Please continue to learn lines and practise songs over the weekend for rehearsals next week. If you are able to help with baking Christmas cakes or sewing items for the Christmas Enterprise Fair on Monday 11th between 9 and 11.30am, please let Mrs McManus know, thank you.

CLASS 3:
In Maths, the children have been working really hard on fractions this week and this will continue next week. We will also be learning about decimals. In English, the children have been finding features of newspaper reports and have started to write their own reports about the eruption of Vesuvius in Pompeii. We will also be preparing for our school Enterprise Fair. We will be completing these next week. Our P.E. day is Wednesday. The children will need their outdoor kits. Please continue to practise lines and hymns for our candle service.

CLASS 2:
This week we have been looking at making and classifying 2D and 3D shapes in Maths. We have used different materials to construct our shapes enabling the children to understand how each shape is made up. In English we have been looking at story writing through images. The children had some super ideas and have really been creative. As you know we have been working on an island and seaside theme this half term and the children are excited to conclude with our seaside picnic. We are hoping that this will happen next Friday 8th December. Please

arrive around 1.30. A letter has been sent home with further details. We look forward to seeing as many of you there as possible, however we do appreciate that this is a busy time of year.

We have been practising hard for the Christmas performance this week and lines have been sent home now that parts have been finalised.

EARLY YEARS:

It has been an exciting week this week in Early Years. On Monday we had a special parcel delivered to the classroom. Elsa had frozen some of our toys! The children have been working hard all week to unfreeze the toys using a number of well thought out ideas! Next week we will be looking at the nativity story - please see the 'What we are learning' sheet for more information on this. As part of this we will be discussing our own family traditions. Please could we have family photos in by Thursday 7th. In Maths next week we will be helping Santa to get some of his presents to the correct people by investigating the different weights of the presents.
