

**CROFT CHURCH OF ENGLAND PRIMARY SCHOOL**  
**Achievement for Everyone**

10<sup>th</sup> March 2017

**Dear Parents/Carers,**

It seems that we have turned a corner with the weather and things are much brighter now we are heading towards Spring!

**RICHMOND SCHOOL SCIENCE WORKSHOP**

Pupils had an amazing time at Richmond School Science workshop this week. It has really inspired many of our pupils to want to become scientists in the future. I am sure that Mrs Lynch will be thrilled!

**CROSS-COUNTRY COMPETITION**

The Cross-Country competition yesterday was a huge success. All of the children worked extremely hard and we even managed a 1<sup>st</sup> place finish! Well done Luca Petch. Luca and Alex Preston, who came 4<sup>th</sup>, have been invited to represent Richmondshire in the next stage of the competition. Well done boys and good luck. Also, I must mention Corbin Smith who completed the whole 1.5 mile course without stopping. Well done Corbin! All in all, it was amazing to see so many pupils 'having a go'! Well done everybody and thank you to Mrs Carbert again for organising such a successful event. Fingers crossed our NEW 'Croft' team jackets will have arrived before the next event!

**PUPIL-LED CHRISTIAN VALUE WORSHIPS**

We will be holding a pupil-led Christian Value Worship for families of Class 2 pupils on **Wednesday 15<sup>th</sup> March at 3pm**. Class 2 families will have received hand-written invites from the pupils! We hope that you can attend. Each class will lead a Christian Value Worship every term. Watch this space Class 3 and Class 4 parents!

**UNIFORM**

Thank you to parents and carers for their support with recent reminders to pupils regarding uniform. I had a good discussion with pupils today in Collective Worship about why we have school uniform and pupils made some great comments. I think they understand it really well...

**Sophie Wright** – 'We have uniform so that there is equality'

**Valentina Percovich** – 'Uniform is to represent our school'

**Luke Millar** - 'It is so we are all the same and nobody feels different'

**Noah Boyd** – 'Uniform keeps us safe - like when we are on school trips, our teachers can see where we are in case we get lost'

Thank you for your continued support.

**RED NOSES**

We still have a small number of Red Noses in school to sell to support Comic Relief Day on Friday 24<sup>th</sup> March. These are £1 each and are available from the school office.

**Have a fantastic weekend everybody.**

**Mr Robson**

**CLASS 4:**

Well done everyone for producing and presenting such a high standard of homework! Miss Rogan really enjoyed listening to them! Next week, Year 6 will be practising for the debating competition, which is on Thursday, while Year 5 work on perfecting their written persuasive arguments. In Maths, we will be continuing to work on measure problems.

**CLASS 3:**

What an amazing week! Some fabulous work from Class 3 in both Maths and English. We have also started looking at Austin's Butterfly as part of our growth mindset topic which demonstrates how growth mindset works through art.

In PE we have been working hard on our hockey skills and have also attended a Cross Country competition at Catterick Race Course with Class 4. This was a fantastic opportunity for all of the children and staff and we were overwhelmed by the support from parents.

**CLASS 2:** We will be continuing our work on measures in Maths, and in English we will be starting a fiction topic focussing on Arthur the Wizard. We have made a brilliant start on our Growth Mindset topic. The children have learnt all about the YETI monster and how he can help so please ask them about it at home. We have started to put together our class Christian Value Worship and we're excited to see you all on Wednesday. Don't forget to follow us on Twitter @Class2CroftCofE

**EARLY YEARS:** This week we have continued our work on Oliver's Vegetables. The children have produced some excellent writing and we all enjoyed trying some roast vegetables. In Maths we have been working on practical addition word problems. Homework - The children will be bringing home a number line to cut up and use to practise ordering the numbers correctly and matching the correct number of objects to each number.

**HEADTEACHER AWARDS:** Oscar Hudson-Chang (Y6) Gracie Hancock (Y5) Scarlett Farrow (Y4) Olivia Curbeson (Y3) Leanna Honeyman (Y2) Heidi Campling (Y1) Harriet Davis (Rec)
