

CROFT CHURCH OF ENGLAND PRIMARY SCHOOL
Achievement for Everyone

12th January 2018

Dear Parents/Carers,

Happy New Year everybody! I hope that you all had a fantastic Christmas – welcome back.

It has been a busy week for everybody. Pupils have enjoyed getting back into routines and starting their new learning!

DALES ACADEMIES TRUST

As you are aware, on January 1st Croft Church of England Primary School became part of the Dales Academies Trust. Dales is a joint venture by the Church of England Dioceses of Leeds and York. The main aim of creating Dales is to form a strong group of Church of England schools making it even easier for us to exchange expertise and good practice. Dales is able to give school-to-school support, in a way that wouldn't be possible without having a Multi-Academy Trust. In the first instance, Dales will include a number of Church of England primary schools in the Diocese of Leeds and the Diocese of York, as well as All Saints Church of England Secondary Academy, Ingleby Barwick, in the Diocese of York and it is expected that more schools will join Dales over the coming months. The Diocese have created a Trust Board which will have the job of governing and overseeing the whole group of schools. The Board will also make sure that the right resources are available for teaching and learning, and will be responsible for the overall financial health of the Trust. Mr Damian Chubb, who has years of teaching experience and school academy leadership has been appointed as Chief Executive Officer for Dales Academies Trust. Meanwhile, most day-to-day aspects of our school life will remain the same.

As Headteacher of Croft I retain responsibility for the management of the school and staff here and we will continue to have our school governors which include staff and parent representatives. We look forward to the opportunities that being part of a Multi-Academy Trust will bring to Croft School. There are very exciting times ahead!

Christian Value - Perseverance

Bible reading: Consider it pure joy brothers and sisters, whenever you face trials of many kinds, because you know that the trusting of your faith develops perseverance.

Perseverance must finish its work so that you may be mature and complete, not lacking anything. James 1: 2-4

Ella Janes – Class 4: Hilary Clinton had to persevere because she wanted to run for President of the United States but she was a girl. Other politicians tried to bully her out of it but she persevered. She didn't make it but is probably closer than she's ever been.

THE BIG WEEKLY QUESTION...

CLASS 4: The children have worked hard to get back into routines this week. We started off our new topic, Coasts and Rivers, with a SOLE session and then looked at the water cycle. The children were great at applying their scientific knowledge to this context. We will be using this knowledge and understanding to write the journey of a raindrop next week. Next week will be start our new novel, "Kensuke's Kingdom", by Michael Morpurgo. Our focus in writing will be a balanced argument for leaving home and setting sail around the world. In Maths we have been looking at equivalent fractions and simplifying fractions, we will move onto to learning more about converting improper and mixed number fractions next week. PE will be indoor next week on Thursday.

CLASS 3:

The children have made a fantastic start to the term. They took part in a writing morning on Thursday to start planning and writing a story based on a journey. They have made a super start and will finish their final drafts next week. They are all aiming to be Handwriting Heroes of the week! We will be working on fractions and decimals in Maths next week and continuing with our topic on The Romans. It will be PE on Wednesday.

CLASS 2:

This week we have begun our new topic of The Great Fire of London. The children used Self Organised Learning to do some research on Thomas Farriner using the ipads. In Maths we have been looking at time and solving time problems. We have collected some data using time and will use this to form a class graph. In PE we are now doing gymnastics. The children made a great start with this, showing balance and dismounting with care. Next week we will continue with our topic through the story Toby and the Great Fire of London. In Maths we will be looking at money.

EARLY YEARS:

The children have really enjoyed reading 'Harry and the Bucketful of Dinosaurs' this week. On Wednesday a strange egg appeared in the classroom. The children enjoyed writing messages to warn others to take care of the egg. I wonder if the egg will hatch soon! Next week we will be moving on to the theme of doctors. This is something the children have expressed an interest in learning more about and therefore we will be following it! We will also be showing the children how they can add their own observations of their work to their Tapestry online learning journal! Just a couple of reminders after the half term. Children will change their library books every Wednesday, please make sure your child's book is in school with them that day. PE (for Reception children) is still on a Thursday but please ensure **their PE kit is in school all week. Finally, for those children who have a book please try to read with them as often as**

possible. Just a couple of pages every night can really support their reading progress. Thank you. ☺

Here is just a **small** sample of retailers that are listed on the site. The retailer donates a proportion of their profit to school from anything purchased and you get exactly the same deal as if you had visited the retailer directly. You are not required to create an account or provide any personal details.

CHILDREN NOT YET OF SCHOOL AGE

Please make sure to let us know if you have any younger children who are not yet in school or in our admissions book. This will ensure that you receive information about nursery places in good time.

MARIE CURIE CANCER CARE

Daffodil pins, sold in aid of Marie Curie Cancer Care are on sale in school for £1 each.

SCHOOL COUNCIL – STAMPS

Please keep reminding friends and family that we are collecting used stamps for the RNIB. We are helping to raise money by recycling something we normally would throw away. Thank you for your support.

TEXTING SERVICE

Please ensure that the mobile number we have for you is up to date.

ALLERGEN INFORMATION

This is available for all school meals so if you have any concerns or require any information please ring or call into school. More information about food allergens can be found on the Food Standards Agency website.

It is very important that you keep us informed of any food allergies or intolerances affecting your child.

SAFEGUARDING

The school's Designated Senior Person and Online Safety Leader: Mr Robson

Deputy Designated Senior Persons are: Mrs McManus and Miss Wilford.

The nominated safeguarding governor is Mr Blenkharn.

Parent View gives you the chance to tell Ofsted what you think about your child's school. The survey can be completed at any time; you don't have to wait until the school is being inspected.
