CLASS 3: We have been working hard in Maths this week, counting in tenths and hundredths and ordering decimal numbers, which we will continue with next week. We will spend our final week looking at legends with a focus on the Lambton Worm. In ICT we will be looking at coding and the children will have the opportunity to create their own route.

CLASS 2: We will be beginning our topic on money in Maths next week. If you go shopping at the weekend please look at coins and discuss the cost of things or count up pocket money. We will be continuing our topic on newspaper reports based on traditional tales in English. The children will be making a crunchy winter salad in DT next week and we will be looking at how to prepare food safely.

EARLY YEARS: We have been watching the Magic Train Ride and repeating the "Whistle Blow" song. The children have made models and painted the magic places they want to visit.
